## NEW RECRUITS

Have you got what it takes to be a Green Lantern? Take this mini quiz and find out...

- On your way home from school you stumble on a strange power ring and a lantern. Do you...  
**A** Jump up in the air - you can't contain your delight! At last you've been chosen to join the Corps.  
**B** Take the ring home for your little sister and kick the lantern to the kerb.  
**C** Rub the lantern hoping a genie might appear - or at worst a Christina Aguilera look-alike.
- A close friend reveals that they have had an alien encounter. How do you react?  
**A** Excited and fascinated. You want to hear every detail and suspect that your friend's visitor was an Xudarian.  
**B** Unfazed. You've had loads of alien encounters, in fact, you've always suspected you're half-alien.  
**C** Laugh. You know your mate is making it up.
- In your opinion, what does being a superhero involve?  
**A** It's a big responsibility and it requires courage, will power and determination.  
**B** Kicking ass on a regular basis.  
**C** Wearing a dodgy tight costume and a cape.
- Which of the following would you most like to be when you grow up?  
**A** A superhero  
**B** A pilot  
**C** A reality TV star
- Where do these words come from? "Let those who worship evil's might, beware my power - Green Lantern's light!"  
**A** Easy. It is a line from the Green Lantern oath.  
**B** The Bible.  
**C** The lighting section of an Argos catalogue.

## HOW DID YOU SCORE?

**Mostly As**  
 Congratulations! You have shown integrity and a strong spirit of adventure. Welcome to the Corps, new recruit.

**Mostly Bs**  
 Like Hal, you are gifted and could be a great warrior, but you don't yet have true understanding of what it means to be a member of the Corps. Reapply in a few years time.

**Mostly Cs**  
 Sorry dude, there are no places in the Green Lantern Corps for you. We suggest you try your hand at something else. Maybe pottery.
